Deadline: March 31, 2015

Seeking Photographic Images for Memory Matters Fundraising Book

We are publishing a book for Memory Matters, our HHI area Alzheimer's Respite and Care facility. You may be aware of the work they do to help our community.

The book is a fund-raiser for Memory Matters. We are interested in having the Camera Club of Hilton Head's members submit photographs.

For those photos that are published, we will credit the photographer and give books. This will be a high quality, hardcover book of images and poems and essays.

We are looking for:

1. Scenics
2. People (but please, either include the signed model release, or use photos of people who are not identifiable, as we do not want to convey that those pictured may suffer of the disease.)
3. Humorous scenes
4. Nature
5. Any photo that you think will be uplifting for those who will purchase the book, are care givers, or have been touched by Alzheimer's or dementia in some way.
6. This is a high quality, hardcover, coffee table book that will contain images, poems, essays and humorous anecdotes.
7. Please send us an email: publisher@lydiainglett.com. We will send you a link for a Dropbox upload folder. Or if you prefer, send your highest res photo in an email to: publisher@lydiainglett.com
8. Be sure to include your complete contact information and how your photo credit is to read. Make sure that your file names are your first and last name and photo title.
9. Email Subject Line: Memory Matters book
10. From Memory Matters and Lydia Inglett Publishing, we thank you for your participation in this outstanding fund-raising effort.

With kindest regards,
Lydia Inglett
Publisher and CEO
